Haryana directs FDA to take samples of all food items

Haryana Government directed state Food and Drug Administration to take samples of all kinds of food items and drinks available in the market. At a meeting of the FDA, state Health Minister Anil Vij issued directions that various samples food and drink items should be taken to check adulteration and ensure that people get quality products. Vij said as there is no high-standard laboratory in the state for testing food samples, labs at Chandigarh and Karnal would be mordernised and upgraded while four new facilities would be set up at Gurgaon, Panchkula, Bhiwani and Hansi. Apart from this, there is also a proposal to set up a laboratory to test Ayurvedic medicines. Under the plan, no officer would continue to function for more than a year at one station, they would be transferred every year to ensure efficiency and honesty. Also the working of SDCOs and DCOs would be monitored and they would have to send their monthly progress report to their seniors. The government would introduce online process of getting new licenses, their renewal and also information about testing of food items.

Adani Group to repay up to \$790 mn share-backed loans by March

India's Adani Group plans to prepay or repay share-backed loans worth \$690 million to \$790 million by March-end, two people with knowledge of the matter told Reuters, as the conglomerate seeks to burnish its credit profile after a short-seller attack. The plan comes even as the group holds a fixed-income roadshow this week in Singapore and Hong Kong to shore up investor confidence amid share price falls and a regulatory probe. Adani Green Energy Ltd also plans to refinance its 2024 bonds via an \$800 million, three-year credit line, said the people, who declined to be identified as they were not authorised to speak with media.

India approves \$3.9 billion hydropower project near China border

India approved its largest ever hydropower project in the mountainous northeastern region bordering China as the country seeks to build renewable generation to meet rising power demand. The government approved the estimated investment of 319 billion rupees (\$3.9 billion) for the 2,880-megawatt Dibang project in Arunachal Pradesh, state-run hydropower producer NHPC Ltd. The project is estimated to take nine years to build. India has classified hydropower as renewable energy and sees it as key in its transition away from coal to help manage the fluctuations caused by intermittent solar and wind supplies. However, the large-scale environmental damage and dislocation of communities to construct dams has hampered those plans, with local protests delaying projects and adding to construction costs.

DS Group partners with Swiss luxury chocolate brand Laderach

Dharampal Satyapal Group (DS Group) announced its partnership with luxury Swiss chocolate brand Laderach, a strategic move it said would augment the group's presence in the confectionery segment. The group's existing brands in the confectionery segment include Pulse and Chingles candy, while its premium retail brands include Le Marche, L'Opera, Uncafe, and Les Petits. Rajiv Kumar, vice chairman of DS Group said the partnership will enable the group to launch handcrafted Laderach chocolates in India. According to a study by the IMARC group, the Indian chocolate market reached a value of US \$ 2.2 billion in 2021 and is expected to touch US \$ 3.8 billion by 2027, growing at a CAGR of 9.1% during 2022-2027. The category is led by Mondelez, followed by Mars Wrigley, Nestle, Amul and Ferrero.
